### CHIEF SECRETARIAT.

**Trial of offences under the Village Panchayet Regulation.**

READ—

G. O. No. P. 6048-58—Cts. 102-29-3, dated 6th May 1930, empowering Amildars and Deputy Amildars to try offences punishable under the Mysore Village Panchayet Regulation.

2. Correspondence ending with letter No. R. O. C. 662, dated 3rd December 1931, in the matter of the continuance or otherwise of the arrangement ordered in the G. O. read above.

ORDER NO. P. 3657-65—CTS. 102-29-8, DATED 5TH JANUARY 1932.

The arrangement in question was adopted on grounds of expediency and convenience to parties who might otherwise be put to the necessity of going 20 or 30 miles for the trial of these petty cases.

This arrangement was, however, objected to during the course of a debate on an adjournment motion in the Legislative Council at its Session in June 1930 and Government promised to re-examine the question after a few months.

The High Court is of opinion that the question can be solved by giving the option to the accused to be tried either by the Amildar or the Special Magistrate.

Government agree in this view and are pleased to direct that complaints under the Village Panchayet Regulation may be filed either before the Amildar and Deputy Amildar or the Special Magistrate having jurisdiction. If, in the former case, the accused desires to be tried by a Special Magistrate, the Amildar or Deputy Amildar shall forward the records of the case to the District Magistrate for being referred to a Special Magistrate for proceeding with the trial of the case.

**Treasury Guard Duties.**

READ—

Government Order No. G. 5440-51—Mily. 271-29-18, dated 6th January 1932, sanctioning the reorganization of the Mysore Infantry to the standard of an active Battalion for internal security purposes and directing that, among other matters, the Infantry should be relieved of their present Non-Military duties of guarding the Treasuries and that the work should be entrusted to the Police.

2. Letter No. G. C. 241—31, dated 23rd December 1931, from the Inspector-General of Police in Mysore, submitting revised proposals for transferring the duties of guarding the Treasuries in the State and some other Offices from the Military to the Police Department.

ORDER No. P. 3716-27—POL. 136-31-2, DATED 6TH JANUARY 1932.

In the Government Order read above, Government approved of the recommendation jointly made by the Chief Commandant and the Inspector-General of Police to relieve the Mysore Infantry of the Non-Military duties of guarding the Treasuries and to entrust this work to the Police.

The Inspector-General of Police has accordingly submitted detailed proposals for taking over the duties of guarding the Treasuries and the Offices mentioned in the margin.

1. Stamp Manufactory, Bangalore.
2. Government House, Mysore.
3. Bannimantap, Mysore.
4. Sub Jail, Shimoga.

Proposition Statement No. 1 shows the increased establishment required for this purpose and the cost, including allowances. Statement No. II shows the allocation of the Officers and men to be deputed for guard duties. The total establishment required for these additional duties will be 83 Duffedars and 396 Constables and involves an additional expenditure of Rs. 93,382 per annum in the Police Department. This extra expenditure will be more than counter-balanced for the present and for the next few years to come by the savings effected in the Military Budget as shown in the Government Order sanctioning reorganization of the Infantry.

Government are pleased to sanction the above proposals of the Inspector-General of Police to take effect from 10th January 1932. The Inspector-General of Police is requested to arrange with the Chief Commandant to take over as many men as possible out of those thrown out from the Infantry in consequence of its reorganization as an active Unit.

The additional cost of the scheme during the current year will be met by re-appropriation out of the savings anticipated in the Budget of the Police Department.
